Bishop Marc Andrus and Reverend Mauricio Wilson invite you to two special services this week to celebrate the 100th anniversary of St. Paul's Episcopal Church at its current location of 114 Montecito Ave. in Oakland. A solemn Evensong will be celebrated **Wednesday, January 25 at 7 p.m.** featuring the renowned St. Paul's Choir singing pieces by Horatio W. Parker and H. Balfour Gardiner. A champagne toast follows in the narthex. The Right Rev. Marc Andrus, Bishop of the Diocese of California, will then preside at the **Sunday, January 29 10 a.m. church service.** Please join us for a potluck lunch after the Sunday service.

St. Paul's Parish was organized in 1871, and the cornerstone of the present building was laid on the Feast Day of the Conversion of St. Paul the Apostle, January 25th, 1912. The congregation has evolved over the years, seizing new opportunities for ministry and service. In the early years, St. Paul's helped in the founding of Church of Our Savior in Oakland, and St. John's in Montclair. In the 1960s, we were the official Diocesan sponsor of St. Paul's Towers, a retirement community and life-care facility. St. Paul's members also helped develop the renowned Clausen House, a residential center for developmentally disabled adults that is still thriving today.

Please come celebrate our 100 Anniversary with our parish family and other members of the community.
